Pursuant to the False Claims Act, 31 U.S.C. § 3730(b)(1), the United States notifies the Court of its consent to the Plaintiff-Relator's voluntary dismissal of this action without prejudice.

The Government requests that the Plaintiff-Relator's Complaint, Plaintiff-Relator's Notice of Voluntary Dismissal Without Prejudice, and this Consent to Dismissal Without Prejudice and the attached proposed Order be unsealed. The United States requests that all other papers on file in this action remain under seal because in discussing the content and extent of the United

States' investigation, such papers are provided by law to the Court alone for the sole purpose of evaluating whether the seal and time for making an election to intervene should be extended.

A proposed order accompanies this notice.

Respectfully submitted,
